

Public Works Department

Bi-annual Clean Up

February & November

The Mayor and City Council have designated February and November of each year to collect items that are not routinely collected for a fee. However, because we comply with federal and state laws that regulate environmental issues, there are specific items that we cannot accept. We **WILL NOT** collect the following items:

- × Capacitors
 - × Household Garbage
 - × Tires
 - × Sinks
 - × Light Ballast
 - × Food Waste
 - × Carpets
 - × Fences
 - × Asbestos
 - × Tree Stumps
 - × Glass
 - × Propane Gas
 - × Metal Drums
 - × Closed Containers of Any Kind
 - × Pallets
 - × Fuel Tanks
 - × Refrigerators
 - × Antifreeze/freon
 - × Medical Waste
 - × Air Conditioning Units
 - × Padding
 - × Paint Cans
 - × Insulation
- × **Building Materials**

Scrap metal from the construction, reconstruction, remodeling or repair of a building, walkway, driveway, sign or other structures. This includes, but not limited to, excavated earth, rocks, gravel, bricks, plaster, concrete, lumber or any other similar material used in construction, the containers, or wrappings thereof.

Austell Public Works will continue to collect washers, dryers, hot water heaters, and metals throughout the year within the City Limits of Austell (City Taxpayers).

As the Bi-annual cleanup is approaching, we want to remind the citizens that a Code of Ordinances regulates property maintenance within the City of Austell. Please note that the following items **are prohibited** from any premises in the city:

- Abandoned vehicles
- Vehicles without current tags
- Garbage cans in plain view
- Unkempt property which includes dead or decaying matter, fruit, vegetables, animals, or rodents
- Maintaining a dangerous or diseased animal or fowl
- Keeping more animals on property than can be maintained without causing odor or annoyance to neighbors
- Junk cars, trash, and refuse

The City's Code Enforcement Officer has the authority to cite the offender for an ordinance violation, and the individual will be required to appear in Court. Fines may be levied for disregarding the ordinance.

To place a work order, you may contact City Hall at (770) 944-4300.
