

COMMUNITY NOTICE

BEGINNING OCTOBER 12 AND CONTINUING FOR APPROXIMATELY 2 WEEKS, THE CITY OF AUSTELL FIRE DEPARTMENT WILL CONDUCT FIRE HYDRANT TESTING. THE CITY PERIODICALLY CONDUCTS THESE TESTS TO ENSURE THAT ALL HYDRANTS ARE WORKING PROPERLY.

THE TESTS FLUSH SEDIMENTS, WHICH MAY RESULT IN CLOUDY/DISCOLORED WATER, LASTING APPROXIMATELY 24 HOURS.
IF YOU NOTICE DISCOLORED WATER, PLEASE REFRAIN FROM WASHING LAUNDRY, AS IT MAY CAUSE STAINING.

YOU MAY SEE FIREMEN OR CITY EMPLOYEES IN YOUR NEIGHBORHOOD OR ON YOUR PROPERTY DURING THIS PERIOD. WE APOLOGIZE IN ADVANCE FOR ANY INCONVENIENCE AND APPRECIATE YOUR PATIENCE AND UNDERSTANDING. PLEASE FOLLOW THE CITY OF AUSTELL ON AUSTELLGA.GOV, FACEBOOK, AND INSTAGRAM FOR UPDATES. [PLEASE REGISTER AT AUSTELLGA.GOV FOR CODE RED ALERTS.](http://AUSTELLGA.GOV)
