SECTION I INVITATION FOR BID OVERVIEW PROCEDURES

PURPOSE OF PROCUREMENT:

The City of Austell is accepting sealed bids from qualified contractors for the purpose of the construction of a **trash enclosure and concrete pad located at 5878 Love Street**. Bids should include price for furnishing all materials, labor, tools, equipment, and any other miscellaneous items necessary to complete the job.

Schedule of Events:

This **Request for Proposal** (RFP) will be governed by the following schedule:

<u>DATE</u>		<u>MILESTONE</u>
Friday, October 3, 2025,		Bid Document Available
Wednesday, October 15, 2025,	10:00 A.M. est	Optional Pre-Bid Meeting
Friday, October 17, 2025,	12:00 P.M. est	Deadline for Submission of Questions
Tuesday, October 21, 2025,	5:00 P.M. est	Answers Available on City's Website
Monday, November 3, 2025,	10:00 A.M. est	Bid Opening
Friday, December 19, 2025,	5:00 P.M. est	Completion of Work

COMMUNICATION WITH STAFF:

From the issue date of the bidding document, and until a contractor is selected and the selection is made public, contractors are not allowed to communicate with any City staff or elected officials, except for Jannette Mariani - jannette@austellga.gov at the Public Works Department. For violation of this provision, the City may reject any bid of the offending bidder.

QUESTIONS AND ANSWERS:

All questions concerning this ITB must be submitted via email or to the City's Public Works Department:

City of Austell
Public Works Department
5000 Austell/Powder Springs Road
Suite 133
Austell, Georgia 30106
bids@austellga.gov

Questions and clarification requests must be received by **12:00 P.M. est, Friday, October 17, 2025**. Answers and clarifications issued by the City will be in the form on an addendum to the bid

instructions and will be issued to all known potential offerors and placed on the City's website not later than **5:00 P.M. est, on Tuesday, October 21, 2025**. It is the bidder's responsibility to ensure that they have all applicable addenda prior to submittal. This may be accomplished by contact with the Public Works Department via email or by visiting the City's website prior to submittal.

Bidders must acknowledge any issued addenda. Bids which fail to acknowledge the bidder's receipt of any addendum will result in the rejection of the bid if addendum contains information which substantively changes the City's requirements.

SECTION II BID SUBMISSION DETAILS AND INSURANCE

Ownership of all data, materials, and documentation prepared for and submitted to the City in response to this request for bid shall belong exclusively and will be considered a record prepared and maintained or received in the course of operations of a public office or agency and subject to public inspection in accordance with the Georgia Open Records Acts, Official Code of Georgia Annotated, Section 50-18-70 et. seq., unless otherwise provided by law.

BID FORMAT:

Each bid should be prepared simply and economically, avoiding the use of elaborate promotional materials beyond those sufficient to provide a complete presentation. The Bidder is solely responsible for the cost of responding to this ITB.

MANDATORY DOUCUMENTS CHECKLIST:

Bidder must complete, execute, and include with the bid, the following mandatory documents. Bids received without these documents may be rejected.

- BID BOND
- ACKNOWLEDGEMENT OF ADDENDA
- BID QUOTE
- GEORGIA SECURITY & IMMIGRATION COMPLIANCE (GSIC) ACT AFFIDAVIT
- AFFIDAVIT VERIFYING RESIDENCY STATUS OF AN APPLICANT (SAVE)
- PROPOSED LIST OF SUBCONTRACTORS

DISCLOSURE OF SUBCONTRACTORS:

No more than 49% of dollar value of the total contract work may be accomplished by subcontractors. The balance of the work must be accomplished by selected Contractor's own forces. Each bidder must furnish with his/her proposal, a list of the items he/she proposes to subcontract and the estimated cost of these items.

BID SUBMISSION AND DELIVERY INSTRUCTION:

The Bidder shall submit one original (conspicuously marked "**ORIGINAL**") and three (3) copies of their written bid. The bid submittal must be signed by an officer of the company, who is legally authorized to enter into a contractual relationship in the name of the offeror.

Clearly label the outside of the **SEALED** envelope as follows:

Name of Contractor Submitting the bid

Project Name

RFP#

E-Verify #

All bids must be delivered no later than **Monday, November 3, 2025, at 10:00 A.M. est**, at which time the bids will be officially opened and read aloud.

Bids should be delivered to:

**Public Works Department
5000 Austell/Powder Springs Road| Suite 133
Austell, Georgia 30106**

Hand delivered copies may be delivered to the above only between the hours of 8:30AM ET and 4:45PM ET. Monday through Friday, excluding holidays observed by the City of Austell.

LATE SUBMITTALS:

All bids must be received by the city by the specified date and time. It is not sufficient to show that the submittal was mailed in time to be received before the scheduled closing time. The city will not be responsible for any bids delivered incorrectly or not received by the specified date and time.

WITHDRAWAL OF BIDS:

A submitted bid may be withdrawn prior to the due date by a written request to the Public Works Department. The request to withdraw a bid must be signed by an authorized individual. Bids shall be valid and may not be withdrawn for a period of 60 days from the date specified for receipt of bids.

REJECTION OF BIDS:

Bids will not be accepted by any person, firm, or corporation who is in arrears in any debts or obligation to the City of Austell or any government entity.

The City of Austell reserves the right to waive irregularities, informalities, and technicalities, or to readvertise the bid. The City has the right to reject all bids or any bid that is non-responsive or not responsible.

DISCREPANCY IN UNIT PRICE

In the case of discrepancy between a unit price and an extended price and total amount, the unit price will be presumed to be correct, subject, however, to correction to the same extent and in the same manner as any other mistake.

SELECTION CRITERIA

Award will be made on an "All-or-None Total Offer" basis. Any contract awarded pursuant to the ITB will be awarded based on the total base bid price or not at all. It is the intent of the City to award a contract to the lowest responsive bidder, provided the bid has been submitted in accordance with the requirements of the bidding documents and does not exceed the funds available.

The award will be made based on the total bid.

In determining the lowest responsive and responsible bidder, in addition to price, the following shall also be considered:

- The ability, capacity, and skill of the bidder to perform the contract.
- The quality of performance on previous contracts.

FINANCIAL STANDING

The Contractor selected must be able, if requested, to provide proof that they are in good financial standing. All records submitted by the Contractor may be subject to the Georgia Open Records Act, O.C.G.A. 50-18-70 et seq. As such, the Contractor should be careful not to provide any proprietary information. In addition, the City may require contact information with the Contractor's financial institution(s), along with the necessary consent for the City to contact the institution to inquire as to the financial status of the Contractor.

TERMS AND CONDITIONS

No person or business entity shall on the grounds of race, color, national origin, sex, age, or handicap/disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity conducted by the City. Compliance with Laws: In connection with the furnishing of supplies or performance of work under the contract, the bidder agrees to comply with the Fair Labor Standards Act, Equal Opportunity Employment Act, Georgia Security and Immigration Compliance Act, and all other applicable Federal and State laws, regulations, and executive orders to the extent that the same may be applicable and further agrees to insert the foregoing provision in all subcontractors awarded hereunder.

If a bidder has any existing client relationship that involves the City of Austell Mayor or Council, the bidder must disclose each relationship.

HOLD HARMLESS AGREEMENT

The Contractor shall hold harmless the City of Austell from any and all claims, suits, actions, damages, liability, and expenses in connection with loss of life, bodily or personal injury or property damage, including loss of use thereof, directly, or indirectly caused by, resulting from. Arising out of occurring in connection with the performance of this contract. The Contractor's obligation shall not be limited by, or in any way to, any insurance coverage or by any provision in or exclusion of omission from any policy of insurance.

BONDS

Each bid must be accompanied by a bid bond with good and sufficient surety or sureties approved by the City for faithful acceptance of the contract, payable to, in favor of, and for the protection of the City in an amount equivalent to five percent (5%) of the total amount payable by the contract or, in lieu thereof, in the form of a certified check, cashier's check, or cash in equal amount.

The successful bidder will be required to furnish performance and payment bonds with the executed agreement meeting the requirements of the contract documents, each in the amount of one hundred percent (100%) of the bid.

The bond surety must be authorized by the Insurance Commissioner to do business in Georgia and must be on the United States Department of Treasury's list of approved sureties.

CERTIFICATIONS

The City of Austell will not enter into a contract for the physical performance of services unless the Contractor(s) and Subcontractor(s) register and participates in federal work authorization program to verify information of all newly hired employees or subcontractors. Each bid must be accompanied by a notarized work authorization affidavit, as defined in OCGA 13-10-91, et seq, attesting to the following:

- The affiant has registered with and is authorized to use the federal work authorization program.
- The user identification number and date of authorization for affiant; and
- The affiant is using and will continue to use the federal work authorization program throughout the contract period.

SECTION III INSURANCE REQUIREMENTS FOR CONTRACTORS

Prior to the award of the contract, the Contractor shall furnish a Certificate of Coverage or the proof that it has the following insurance with the City named as additional insured that must remain in force for a period of at least one year after completion of the work.

- Workers' Compensation and Employer Liability Insurance.
- The General Contractor shall procure and maintain Worker's Compensation and Employer's Liability Insurance in the limits listed below. Such insurance is to cover every employee who is or may be engaged in work under the contract.

Worker's Compensation	Statutory
Employer's Liability Limits:	
Bodily Injury by Accident	\$1,000,000 each accident
Bodily Injury by Disease	\$1,000,000 each employee
Bodily Injury by Disease	\$1,000,000 policy limits

General Contractor waives all rights against the City and its agents, officers, directors, and employees for recovery of damages to the extent these damages are covered by the workers'

compensation and employer liability or commercial umbrella liability insurance obtained by General Contractor pursuant to this agreement.

Commercial General Liability Insurance:

The Contractor shall procure and shall maintain commercial general liability (CGL) and if necessary, commercial umbrella insurance with a limit of not less than \$1,000,000 each occurrence, \$2,000,000 aggregate, as shall protect him/her and any subcontractor performing work covered by the contract from claims for damages for bodily injury, including accidental death, as well as from claim for property damages, which may arise from operations under the contract agreement, whether such operations are by himself/herself or by any subcontractor or by anyone directly or indirectly employed by either of them.

Comprehensive Form

Contractual Insurance

Personal Injury

Broad Form Property Damage

Premises – Operations

Completed Operations

This coverage shall cover the use of all equipment, hoist, and vehicles on the site(s) not covered by automobile liability under the contract. Policy coverage must be on an occurrence basis.

General Contractor waives all rights against the City and its agents, officers, directors, and employees for recovery of damages to the extent these damages are covered by commercial general liability or commercial umbrella liability insurance maintained pursuant to this agreement.

Business Auto and Umbrella Liability Insurance:

The General Contractor shall procure and shall maintain business automobile liability, and if necessary, commercial umbrella liability insurance with a limit of not less than \$1,000,000 each occurrence, \$2,000,000 aggregate.

Such insurance shall cover liability arising out of any auto (including owned, hired, and non-owned autos).

The General Contractor waives all rights against City and its agent, offices, directors and employees for recovery of damages to the extent these damages are covered by the business auto liability or commercial umbrella liability insurance obtained by the General Contractor pursuant to this agreement or under any applicable auto physical damages coverage.

Any and all companies providing insurance required by the contract must be obtained from the insurance companies that are duly licensed or authorized in Georgia to issue insurance policies for the required limits and coverage. For all contracts, regardless of risk, companies providing insurance under this contract shall have an A.M. Best Rating of A-VII or better.

SECTION IV

GENERAL CONDITIONS

COMMENCEMENT OF WORK AND WORK PERIOD

The City of Austell expects to award the contract by Monday, November 3, 2025. Work can start immediately. Work should be completed by Friday, December 19, 2025 (30 days, permitting the weather). Any variation or extension to this schedule must be approved by the Parks and Recreation Director.

CONTRACTOR'S USE OF PREMISES

Work may be performed from Monday through Saturday from the hours of 8:00AM to 7:00PM, provided it does not interfere with school bus traffic or commercial business operations. The Contractor shall at all times keep the work area, including storage areas, free from accumulation of waste materials.

SAFETY

The Contractor shall comply with all OSHA requirements associated with the work within this contract.

The Contractor shall employ only such workers as are skill in the tasks to which they are assigned. The City reserves the right to require the Contractor to remove and/or no assign any employee the City deems incompetent, careless, insubordinate, or otherwise objectionable to working on the City project.

PERMITS AND RESPONSIBILITIES

The Contractor shall, without additional expenses to the City of Austell, be responsible for obtaining any necessary licenses and permits, and for complying with Federal, State, and municipal laws, codes, and regulations applicable to the performance of the work. The Contractor shall also be responsible for all damages to persons or property that occurs as a result of the Contractor's fault or negligence. If the Contractor fails to take corrective actions, the City reserves the right to withhold payment until damages are corrected, or to correct damages and invoice the Contractor for cost incurred. The Contractor shall also be responsible for all materials delivered and work performed until completion and acceptance of the entire work, except for any completed unit of work which may have been accepted under the contract.

PROTECTION OF EXISTING VEGETATION, STRUCTURES, EQUIPMENT, UTILITIES, AND IMPROVEMENTS

The Contractor shall preserve and protect all structures, equipment, and vegetation (such as trees, shrubs, and grass, if applicable) on or adjacent to the work sites, which are not removed and which do not unreasonable interfere with the work required under the contract. The Contractor shall only remove trees when specifically authorized to do so and shall avoid damaging vegetation that will remain in place.

It is the Contractor's responsibility to verify locations and depths of utilities sufficiently in advance of construction such that necessary adjustments may be made to allow for the proper installation. The Contractor shall protect from damages to all existing improvements and utilities:

- (a) At or near the work site, and
- (b) On the adjacent property of a third party, the locations of which are made known to or should be known by the Contractor. The Contractor shall repair any damages to those facilities, including those that are the property of a third party, resulting from failure to comply the requirements of this contract or failure to exercise reasonable care in performing the work. If the Contractor fails or refuses to repair the damages promptly, the city may have the necessary work performed and all charges and cost associated with the damages will be paid by the Contractor.

SUBCONTRACTORS

If work is performed by a subcontractor, the Contractor shall remain fully liable and responsible for the work done by the subcontractor and shall assure compliance with all requirements of the contract.

The Contractor must provide the City notice of the identity of all subcontractors hired by the Contractor within five (5) days of hiring the subcontractor. The Contractor must obtain affidavits from his or her subcontractors swearing that the subcontractor is registered for and participates in the E-Verify program. The affidavits must be provided to the City within five (5) business days of the subcontractor being hired to work on the job.

SECTION V BID SPECIFICATIONS

Trash Enclosure Specifications

1. General Description

To provide labor, materials, tools, and equipment to construct a reinforced concrete trash enclosure measuring 38'-0" L x 16' x 0", W, with structural footings, safety bollards, and a metal roof system. The structure is designed to house a trash compactor and includes side entry access and dual reinforced gates and protective measures against vehicular impact and protect against illegal dumping.

2. Concrete Slab

Dimensions:

- Area: 38'-0" x 16'-0"
- Thickness: 8"

Concrete Mix:

- Compressive Strength: 5,000 psi minimum at 28 days.

- Air-entrained concrete suitable for exterior exposure and freeze-thaw conditions

Reinforcement:

- #6 Rebar (3/4") spaced at 12" O.C. each way, centered in the slab.
- Rebar to be grade 60 steel.
- Maintain 2" cover on all sides.

Subbase:

- 6" compacted crush gravel or stone base
- 95% Proctor compaction

3. Footings

Perimeter Footings:

- Size: 12" wide x 16 "deep continuous strip footings around the perimeter of slab
- Reinforcement:
 - Two (2) #5 rebar continuous at top and bottom of footing
 - Corner bars and overlaps per ACI standards.
- Concrete Strength:
 - Same as the slab: 5,000 psi min.

4. Structure Dimensions and Access

- Enclosure Size: 32'-0" x 12'-0"
- Height: 12'-4" (roof pitch to concrete slab)
- Access:
 - One (1) side-mounted man door (standard steel door, 3'-0" x 7'-0"), 18-gauge corrugated metal, with 3 heavy duty hinges, matching the two (2) gates doors.
 - One (1) corrugated metal gate (minimum 18-gauge with diagonal bracing, painted, with 3 heavy duty hinges on each gate, opening on short end (8'-0" wide x 7'-0" tall) with sliding gates as per plan with latch hardware (Sumit shop drawing for approval)
 - Gate to accommodate dumpster access.
 - 1/2"-0 x 18" long cane tool, set into 3/4" pipe set 12" deep into concrete footing)

5. Roof System

- Type: Standard seal metal roof, tilted/ sloped, single pitch
- Slope: Minimum 1:12 slope (or as required for drainage)
- Material: Galvanized corrugated metal panels or standing seam metal roofing, 26-gauge minimum
- Painted or coated for corrosion resistance.
- Support Structure:

- Steel framing
- Posts anchored to slab or footings
- Roof Supports: 2" x 4" Tubular steel roof supports (for approval bolt to top CMU wall)
- Standing seam metal roof (submit sample for approval)
- Roof Overhang: Minimum 12" beyond wall
- Drainage:
 - Roof to slop away from door and gate openings
 - Gutter and downspouts optional based on-site drainage

6. Bollards

Interior Safety Bollards

- Quantity: Five (5)
- Dimensions: 6" diameter x 7'-0" tall
- Material: Steel pipe (Schedule 40 minimum, the center to be filled with concrete)
- Finish: Powder- coated safety yellow
- Installation:
 - Core -drilled or set in place before slab pour.
 - Embed min. 3' into concrete with 12" concrete footing around base.

Exterior Gate Protection Bollards

- Quantity: Two (2)
- Dimension: 8" diameter x 9'-0" tall
- Material: Steel pipe (Schedule 40 minimum)
- Finish: Powder-coated safety yellow
- Installation:
 - Embed 3' minimum below grade with concrete enforcement.
 - Located on either side of small gate opening.

7. Wall System

- 8" CMU architectural block wall all around, grout filled
- Steel post anchored or pour into the concrete footing.

8. Finishes & Miscellaneous

- All exposed steel components to be primed and coated for corrosion resistance.
- All penetration and joints to be sealed.
- Grading to slope away from structure
- Structure must comply with local building codes.

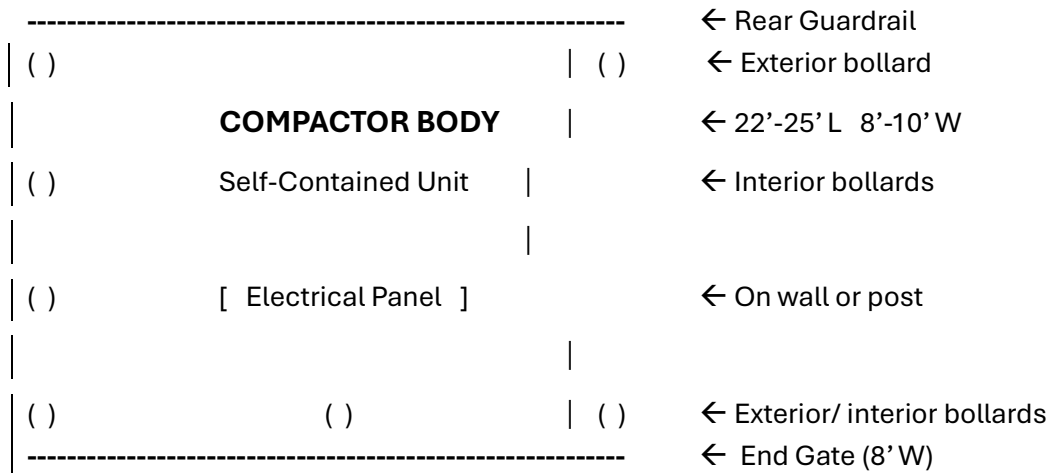

9. Code Compliance

All work to comply with:

- IBC (International Building Code)
- ACI 318 (Building Code Requirements for Structural Concrete)
- ASTM standards for concrete and rebar
- Local municipality requirements

Conceptional Layout: Enclosure + Compactor Plan

Floor Plan Top View

Dimensions:

Slab Size:

- 878'-0" L X 16'-0" W
- 6" clearance side-to-side
- 3' buffer at rear, 3' at front for gate

Electrical Panel:

- Wall-mounted NEMA 4 disconnect
- Conduct in slab or surface -mounted
- 240V or 480V, 3-phase

Steel Guide Rails

- 4" x 4" steel angle, embedded in slab
- Runs full length of compactor footprint.

▼ Elevation

■ Front Elevation (Gate Side)

- Compactor door centered
- Double swing gate: 8' wide x 7' tall
- Two (2) bollards outside gate for protection

■ Side Elevation

- Show full 25' length of compactor.
- Electrical panel on side near front
- Roof structure tilted metal roof

BID BOND

KNOW ALL MEN BY THESE PRESENTS THAT WE (Contractor) _____,

As Bidder, hereinafter called the "Bidder", and (Surety) _____,

A corporation duly organized under the laws of the State of Georgia as Surety, hereinafter called the "Surety", are held and firmly bound unto

City of Austell, 5000 Austell/Powder Springs Road| Suite 300, Austell, Georgia 30106

As Owner, hereinafter called "Owner", in the sum of _____ Dollars (_____), or _____ (_____ %) percent of the amount bid, whichever is less, for payment of which sum well and truly to be made, the said Bidder and the said Surety, bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly and severally, firmly by these presents.

Trash Enclosure, 5878 Love Street, Austell, Georgia 30106

NOW, THEREFORE, if the Owner shall accept the bid of the Principal and the Principal shall enter into a Contract with the Owner in accordance with the terms of such bid, and give such bond or bonds as may be specified in the bidding or Contract Documents with good and sufficient surety for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof, or in the event of the failure of the Bidder to enter such Contract and give such bond or bonds, if the Bidder shall pay to the Owner the difference not to exceed the penalty hereof between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the Work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect.
